This game has some of the best graphics we've ever seen on android racing game, making it ideal for a car lover to enjoy. Want to take a beautiful shiny car for a spin in traffic? Overtake other cars, drive into oncoming traffic and blow up the nitro to overtake your opponents in multiplayer mode. It's one of the best driving games out there right now, with a massive selection of cars to choose from, no time limits, and no need to fuel. Endless driving has never been so much fun! Five game modes With five different game modes, traffic tour APK will keep you entertained for hours. You can test your driving skills in Free Run, or take it to a more competitive level in multiplayer mode. There is no bigger challenge in the racing game than playing against a real opponent - yes, put your skills to the test and see how far you can go. Multiplayer mode also allows you to activate the nitro to speed past the enemy. You can also put your skills to the test in time trial mode, where you'll need to complete the laps before the clock runs out. In addition, there is an endless mode where you can ride at leisure. This mode is better suited for those days where you just want to relax instead of competing with other players. You can also explore a career mode that offers challenging missions such as racing and time trials, and sees you progress through a complex storyline by putting a pedal to the metal around town. Tips for playing traffic tour APK If you are not alone in the game, then you want to start in infinite mode or in free startup mode, as they are less competitive than other game modes and allow you to practice your skills before challenging other players. Set yourself problems and then finish time trials and career mode, or jump straight into the multiplayer to see how you fare against more experienced players from around the world. Overtake people for cash bonuses. When you drive around town, you'll probably notice that you'll get a small bonus when you overtarate traffic past 100km per hour. Keep doing this to make more money and have fun on this Eat in the oncoming movement. Of course, that's not exactly the kind of advice your driving instructor will give you, but if you're Making a few more cash bonuses in the game and then driving into oncoming traffic is a bold way to do it. This crazy move puts you at serious risk - and serious risk means serious reward. Try it – just make sure you don't end up crushed in someone else's hood! Go at night in infinite mode. Taking your wheels for your back after dark will give you even more cash bonuses. Play the game in the evening or evening and then share your results with your friends and the game will reward you. In fact, there are many ways to get cash rewards on the Traffic Tour, making it an even more enjoyable game! Collect the drawing. Collecting drawings is the way to unlock new cars. Some of them will be simple, while others will be rare and very worth keeping. Try to find and collect as many drawings as possible in the game to unlock as many new cars as possible. Experiment with camera modes. There are three different camera modes in the road tour. You can drive from a third person, which is the most popular camera mode, allowing you to see your car from behind and enjoy all its sparkling beauty. You can also put it in first-person mode where you search with the windshield. This mode is actually harder as there is a lot more distraction and you don't get a clear point of view, but it's also the most realistic and some players undoubtedly prefer this mode. Traffic Tour Mod APK - Unlimited Money, Unlock All Cars Want to be able to afford all the coolest cars and modifications without having to spend the waiting age to collect cash bonuses by driving into oncoming traffic? Sounds like a good idea, doesn't it? Download unlimited money. Unlock all APK fashion cars for a traffic tour now to get most out of your gameplay. Enjoy! Enjoy!
